Hi all,

I went to meet the folks at Yes today, the new home décor store on Broadway next to Alma. He opened last Tuesday and mentioned that they already had homeless folks storm into the store demanding to use the restroom. He didn't seem bothered by it, but I thought I'd pass it along anyway. The store has been open for 10 days and has already had at least two incidents with aggressive homeless people, in addition to people peeing on their locks.

I gave him our 24-hour number and welcomed them to downtown.
